

BE A BEE HERO!

Imagine solutions to Boost bee preservation.

WHAT IS THE GOLDENDUST PROJECT?

A collaborative reflexion toward the preservation of the bees in town involving researchers, designers and urban thinkers.

More informations : infohumus@gmail.com

OBSERVE

WHO IS VISITING?

Help us to build a pictures bank that will serve local research.

MOVE

HOW TO ORIENTATE?

Imagine how to keep all day long our friends under the sun.

COUNT

HOW MANY?

Imagine a way to know how many bees are visiting.

HYBRID

HOW TO COMBINE TO FARMING?

This refuge makes a great pollination center : Imagine ways to combine the refuge to urban farming practices (micro culture, hydroponics...)
